SOLACE HORIZON SDN BHD

ABOUT OUR COMPANY

“The best among you are those who bring greatest benefits to the rest of mankind” (Narration Daraqutni, Hasan)

Since its inception for the last 13 years, Solace Horizon Sdn Bhd Owner has been steered by a hand on management team. This top level involvement has welded together a confident and highly motivated workforce and guarantees personal attention and follow through for optimum service and customer satisfaction .

Having all the equipment in the world, yet little output or impact is what we at Solace Horizon Sdn Bhd is up against. With the Founder being a multi company leader with extensive technical experience, one can easily tell why the company only recruit the most professional and experience team members. Manager Mohd Rezal bin Mohd Rafi prior experience in constructing and maintaining an industrial plant, formulate a plan for the company hence, grab the unique opportunity to provide services in Mechanical, Electrical and instrumentation to fulfill local industrial needs

Solace Horizon Sdn Bhd initial role was as a contractor to service Goverment sector, Power Generation industry, oil Gas and Petrochemical in the country. Consequently, the key team members discovered that there are bigger market opportunities yet to be tapped; both in the industry. Besides currently there are yet to be many competitors in both fields.

Our team have secured and executed major orders in tandem with the company's principals to continue its proactive course towards delivering high quality results. One of our major achievements is the installation of the Air Traffic Control System (ATCS) at the Kuala Lumpur International Airport (KLIA) which is the pride of the nation. Our work stands as a testament to our passion and commitment to building quality facilities and services.

We at Solace Horizon Sdn Bhd uphold to the highest esteem the trust given by our customers in our bid to deliver a top-notch quality work in all our services. We believed the main reason to establish a business is to assist others in their needs while at the same time continuously enrich oneself with wide ranging knowledge. This complements the words of prophet Muhammad SAW,s that propagates the same virtue;

“The best among you is those who bring greatest benefits to the rest of mankind” (Narration Daraqutni, Hasan)

SOLACE HORIZON SDN BHD

VISION & MISSION

Vision

We aim to make sure that the expectations of the client, engineer and all stakeholders are fully complied with and that projects are delivered with a high standard of workmanship in a timely manner. We always use products and materials that meet or exceed the requirements of the contract documents and ensure our staff are adequately trained.

Mission

The health, safety and welfare of all staff, sub-contractors, clients and visitors is significantly important to Rintoul Civil, and it is our intention to strive for excellence in the effective health and safety management of all construction sites under our control. We also aim to effectively mitigate all hazards arising from our facilities, activities and site specific environments.
